- 2 Rubber Eye Guards
- 10x Wide-Field Eye Pieces (2)
- 20x Wide-Field Eye Pieces (2)
- Black/White Base Plate
- Frosted Glass Base Plate
- Wrench for Focusing Tension Adjustment
- Screwdriver to Replace Eye Pieces

Before Using the AmScope SE 305R-PZ Stereo Microscope:

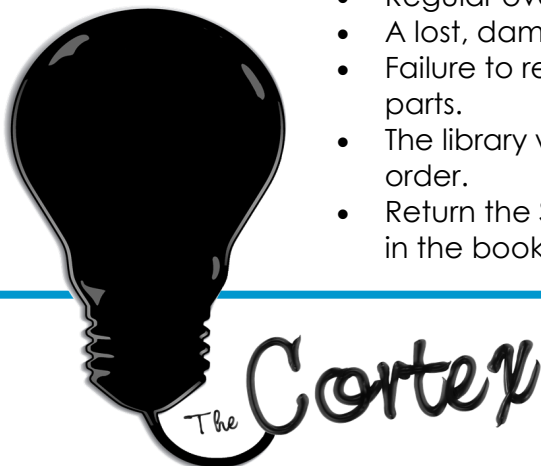

- Read the enclosed instruction booklet.
- Product videos and more information can be found at www.amscope.com.

Caution:

- Be gentle with this microscope. Many of the pieces are fragile.
- When changing the eyepiece, use care to not lose the tiny screws.
- Please let a library staff member know if either of the microscope's lights burn out.

Check Out Policy:

- The Stereo Microscope can be checked out for 14 days with one renewal to anyone age 13 and up.
- Regular overdue fines apply.
- A lost, damaged or stolen kit will result in a \$150 charge.
- Failure to return any part of the kit will result in a charge for the missing parts.
- The library will make every effort to ensure that contents are in working order.
- Return the Stereo Microscope during regular business hours. Do not place it in the book drop.
